

## Noon League Sports Program Participation Contract

**Noon League is a just-for-fun sports program offered over the lunch recess.** This year, different games and activities will be introduced every 6 – 8 weeks with class play and various open games. All third, fourth and fifth grade students are welcome to play.

The **General Rules** of the program are as follows:

1. We practice the three be's on and off the field:  
be responsible, be respectful, and be safe
2. We bring our Character Counts life skills to the field by being respectful, responsible, trustworthy, fair, and caring citizens
3. We stop, look and listen when the whistle is blown
4. We use our words to resolve our differences
5. Unnecessary roughness is not tolerated
6. We play by the rules
7. We play for fun
8. School policy extends to the playing field
9. The Noon League Coordinator's call is final

These rules apply to every game, regardless of the activity.

---

I have read and understand the **General Rules** outlined above and plan to participate in the 2008-2009 Noon League Sports Program as a player, captain, referee and/or equipment manager.
